HOW IT WORKS

1 . Scan the QR Code to inquire.

2 . Inquiry takes 1 minute. HFS performs a soft credit check so there is NO IMPACT on your credit to get your loan terms.

3 . Once conditionally approved, you will be presented "loan terms" within 24 hours.

4 . Once fully approved, the full loan amount funds directly to the consumer's checking account. This makes for easy funding and easy payments for both the contractor(s) and customer(s) involved.

* Fund up to 120% of your total project cost.
These additional funds can be used for any changes you'd like to make during construction.
Example: "Your total project cost is $100,000."
With HFS you can fund up to 120% of that cost, which would be a total maximum loan amount of $120,000
